APPENDIX - A

APPENDIX – A. HARDWARE ENVIRONMENT

The Arizona Judicial Branch has a very diverse mix of hardware reflecting the various projects and programs that have evolved and applications that have been acquired and/or developed over the last several years. Note that the items listed here are generally supported centrally as a statewide project; where individual courts have additional hardware and/or software beyond these items, that equipment is listed on the individual court's inventory of judicial equipment and not in this document.

DESKTOP ENVIRONMENT

The desktop environment includes a variety of PCs. AOC/ITD, under direction from the Commission on Technology, continues to support a four-year equipment leasing cycle which is designed to refresh desktop hardware regularly to ensure that it incorporates the technology needed to support the evolution of statewide applications while providing additional savings needed to support other technology projects.

The following are standard PC models being placed into service:

DESKTOP:
EW290AV hp Compaq Business Desktop dc5700 SFF, Intel Core 2 Duo 2.13GHz, 160 GB, 2 GB RAM, NIC

LAPTOP:
VD442AV HP EliteBook 8540p, Quad Core i7-720QM, 250 GB, 4 GB RAM, NIC

PRINTER:
Q5401A HP LaserJet 4250N
